Professional Summary

Motivated and detail-oriented software developer pursuing a Master of Computer Application. Proficient in full-stack development using Java, C/C++, JavaScript, and MERN technologies. Skilled in database management, problem-solving, and Agile methodologies. Adept at creating efficient, user-friendly solutions to complex challenges. Seeking to contribute technical expertise to innovative projects while fostering personal and organizational growth.

Skills

Technical Skills: **Programming Languages:** Java, C/C++, JavaScript, Python, SQL, HTML, CSS
Frameworks & Technologies: React.js, Node.js, Express.js, MongoDB, ASP.NET
Tools & Platforms: GitHub, Visual Studio, Net Beans, Android Studio
Development Methodologies: Waterfall model, Prototype Model, Full Stack Development, Object-Oriented Programming (OOP)
Soft Skills: Problem Solving, Team Management, Time Management, Effective Communication, Good Listener

Project Work

- Chat Application Live Gappa Tappa | *Online System (MERN Based)*** Dec 2024 - Jan 2025
Developed a real-time chat application using MongoDB, Express.js, React.js, and Node.js (MERN).
Designed an intuitive and responsive UI to enhance user experience across devices.
(Link: <https://chat-app-jq00.onrender.com/>)
- TODO List Full MERN Stack | *Online System (MERN Based)*** Oct 2024 – Dec 2024
Designed and implemented a task management system using MongoDB, Express.js, React.js, and Node.js.
Optimized the back-end API, improving response times by 20%.
- Hotel Room Registration System | *Offline System (Java Based)*** Jan 2024 – May 2024
Developed an offline hotel management application using Java and Net Beans IDE.
Automated customer record-keeping, reducing manual errors by 35%.
- E-Book Store Management System | *Online System (Asp.Net Based)*** Jun 2019 - May 2020
Build an ASP.NET and SQL-based online system for readers, publishers, and administrators.
Introduced publisher-specific features, enhancing user engagement by 15%
Enhanced user functionality by introducing publisher-specific features.

Education

- Master of Computer Application** Aug 2023 – Present
Finolex Academy of Management and Technology, Ratnagiri
- Bachelor of Science in Information Technology (9.44 CGPA)** Jun 2017 – May 2020
Vijayalakshmi Vishwanath Dalvie Model College of Talere, Sindhudurg
- HSC (62.31%)** Jun 2015 – May 2017
Kasarde Jr. College of Arts Science And Commerce, Kasarde
- SSC (74.60%)** Jun 2014 – May 2015
Kasarde Madhyamik Vidyalay, Kasarde

Professional Experience and Certifications

- Internship at Cognifyz Technologies & Micro-internship At IBM SkillBuild** Jul 2024 – Aug 2024

- Solved complex coding challenges in C++.
- Gained expertise in debugging and logical problem-solving for real-world applications.

Certifications:

- MATLAB Onramp (MathWorks) – Completed Jul 2024
- Microsoft Azure AI Fundamentals – Completed May 2024
- Programming in Java – Completed Apr 2024
- Codestudio HTML Fundamentals – Completed Jul 2023

Achievements

- Co-Head, Coding Competition Committee:** Organized the Excellentia 2K24 coding competition.
- Hackathon 2K24 Participant:** Secured third prize at Utopia Event, Finolex Academy of Management and Technology.
- Guest Speaker:** Delivered sessions on Cyber Awareness and ChatGPT functionality at Urambhi Jr. College and Shrawani Computers.
